**Attachments:** Letter to Jason Holloman (10 25 17) re Emissions Event Final Report - Revised Event Emissions.pdf

Mr. Holloman,

In conjunction with Arkema's preparation of the Emissions Event Modeling Analysis report that I forwarded to you earlier this afternoon, Arkema has revised its emissions event summaries to reflect updated and corrected information. The attached letter explains what was revised and why and includes revised emissions summaries and calculations. Please note the request in the letter for guidance about how Arkema can best update the emissions information in STEERS.

Please let me know if you have any questions.

**Chris**
